By joining the WUSATA pavilion, you will receive: a booth space with fascia board, booth construction, one table, two chairs, adjustable wall shelves, one lockable counter, one wastebasket, carpet USA pavilion design, two spotlights, and 110 volt electricity outlet for 500 watts, one entry in official show directory, and USA pavilion directory, and daily booth cleaning.

In addition, WUSATA will provide translators for the use of all WUSATA exhibitors during the show, as well as offer one-on-one meetings with pre-approved buyers through coordination of our in-country contractor.
