Therefore the Canadian market makes a good first export market for our U.S. companies. Benefits from participating in the activity: • Meet one-on-one with pre-screened food buyers from Canada • Showcase your products and discuss how they can fit into the purchasing plans for visiting importers and distributors • Learn the needs and preferences of the buyers and discuss how their view of your product could be promoted

PRODUCT DESCRIPTION

Products must be at least 50% U.S. agricultural origin by weight, excluding added water and packaging. Please see additional details regarding product and company eligibility on the U.S. Supplier Page located on the homepage of the WUSATA® website.
