EVENT DETAILS

Tariff issues have been a prominent topic over the last year. However, opportunities in exporting are plentiful. We are offering you the opportunity to learn how China and Hong Kong are still viable markets for exporting.

Please join WUSATA and our In-Country Contractor for an informative webinar highlighting current market conditions, specifically for the Hofex Trade Show located in Hong Kong and SIAL China Trade Show located in Shanghai. WUSATA will email a link to all registrants prior to the webinar. Call and Webinar begin at 9am pst.
