Sign up for one of the hour-long sessions with WUSATA's FundMatch manager to learn more about the details and benefits of this 50% reimbursement program.

Tricia Stein will walk you through the highlights of the FundMatch manual (available online), discuss eligibility requirements, and answer any questions you may have so you can get started applying for the program right away.

Applying for FundMatch online is fast and easy, and your My WUSATA dashboard will give you quick access to see all company information and forms in one location as well as current and past FundMatch applications, allocation status, notifications of claims items that need attention, your marketing plans, and more.
