EVENT DETAILS

Korea - Southeast Asia - Taiwan: Ingredient Inbound Mission to Washington & IBIE show in Las Vegas, Nevada

This inbound mission will bring you together with buyers in search of ingredient products for three growing international markets: Korea, Southeast Asia, and Taiwan. By participating in this mission, WUSATA suppliers will have the opportunity to present their ingredient items to vetted buyers from all three markets and connect with buyer delegates through one-on-one matchmaking meetings. The mission is held in conjunction with the International Baking Industry Exposition (IBIE) which takes place in Las Vegas, Nevada, making it a prime opportunity to not only meet with WUSATA qualified buyers but also to network with other industry representatives.

All participating buyer delegates will travel to Las Vegas, NV to attend the IBIE show Sunday, Sept. 14, participate in an ingredient seminar and tasting Monday, Sept. 15, and meet one on one with WUSATA supplier companies Sept. 15 and 16.

Prior to the show (Sept. 11-12), delegates from Korea and Taiwan will visit Seattle, WA for business matchmaking meetings, facilities tours and site visits.

WUSATA supplier companies seeking opportunities in Korea, Southeast Asia, or Taiwan can register to participate in any or all of the following opportunities (note: no need to register for more than one meeting session with each market delegation since it will be the same buyer delegates at all meeting sessions): - Sept. 11-12: business meetings with Korean and/or Taiwan buyers in Seattle, WA - Sept. 15: Reister to have an ingredient included in the ingredient seminar and tasting for buyers - Sept. 15 - 16: business matchmaking meetings with buyer delegates from Korea, Southeast Asia, and/or Taiwan

Additional opportunities to connect with the buyers are in the works, including having buyer delegates stop by your booth at IBIE and a possible networking reception tentatively planned for Monday, September 15, in Las Vegas, NV. Please contact project managers directly should you have questions.

Benefits of Participation:

Meet with up to 19 vetted, qualified buyers from Korea, Taiwan, and Southeast Asia. Showcase your ingredient products, have an ingredient included in the buyer's ingredient seminar and tasting, and learn about preferences and opportunities in these markets. This inbound mission is held in conjunction with the International Baking Industry Exposition (IBIE) which offers something for everyone, with interactive experiences, networking events and inspiring forums that create ideal opportunities for conversations with peers and connections with new contacts, creating a broader network for industry members across the globe. This mission is a great next step for companies participating in WUSATA's Ingredient Product Research activities, and for those looking to expand their ingredient sales into Asia.
