2021 Taiwan Specialty Beverage & Consumer Oriented Foods Virtual Meetings

August 2-3, 2021 (Consumer Oriented) and August 4-5, 2021 (Specialty Beverage)

Taiwan is the eighth largest market for U.S. food and agricultural exports, and largest consumer of these products on a per-capita basis, making it a very attractive market for Western U.S. exports today.

Both the Consumer Oriented Food and Specialty Beverage Virtual Meetings are a great opportunity for established and new-to-market companies to connect with qualified distributors and buyers in Taiwan. Each participating U.S. supplier company will have meetings with matched buyers over the course of two evenings in early August. Buyer profiles will be shared with all participating suppliers in advance of each event.
