EVENT DETAILS

The Western U.S. Agricultural Trade Association (WUSATA®) and the 13 Western State Departments of Agriculture announce participation and registration in the following activity, which is brought to you by the USDA's Foreign Agricultural Service:

2022 Crafted Cider, Distilled Spirits, and Wine Outbound Trade Mission to Canada

(Calgary, Alberta and Montréal, Québec)

September 11-17, 2022

The ciders, coolers, and "other" category is experiencing a record sales increase compared to all other categories of alcoholic beverages in the Canadian market across all provinces and territories. Between 2020- 2021, Canadians bought \$1.8 billion worth of ciders and coolers, up over 40% from the previous fiscal year according to Statistics Canada. This event is a great opportunity for experienced exporters and new-to-market companies to explore the alcoholic beverage market in Canada and meet with buyers in person! This activity will include one-on-one meetings with qualified buyers such as importers, distributors, wholesalers, and retailers. U.S. participants will be able to gain a market overview of alcoholic beverage trends in the Canadian market, go on retail tours, site visits, and participate in market tastings.

Please take advantage of this mission!

WUSATA will cover:

- In-country airfare for 1 company representative;
- Lodging paid for 1 company representative for 6 nights;
- Coordinated group ground transportation;
- Participation fee for in country market tasting tours
- Sample shipment costs to consolidator in Portland. Then the consolidator will arrange all shipping to Calgary and Montréal! This includes completing the customs declarations and processing packages to each destination so you don't have to!

Benefits of Participation:

- Meet in person with qualified buyers from Canada in Calgary and Montréal
- Learn about the opportunities and demands of alcoholic beverage products in the Canadian market by meeting one-on-one with buyers representing the target markets
- Market briefing with USDA, FAS staff in Ottawa about logistics and market trends
- Evaluate how your product fits into the marketplace by engaging with retail and wholesale buyers and participating in retail tours and market tasting events
- Assistance with shipping samples including all costs covered and paperwork to be completed by consolidator!

Tentative Itinerary:
