## EVENT DETAILS

Presented by Bryant Christie Inc.,

This seminar is designed for Western U.S. exporters, particularly growers, packers, processors, and food marketers, who ship to Mexico, Canada, the European Union, Japan, and South Korea. The session will walk through packaging and labeling requirements across these top five export markets, helping attendees avoid common compliance issues before shipping.

The presentation will provide a country-by-country breakdown of mandatory label elements, language and format requirements, and recent regulatory changes. Attendees will gain a practical checklist approach for confirming label compliance across multiple markets before product leaves the dock.

Detailed Webinar Overview:

1. Welcome & Objectives

- Session goals: understanding packaging and labeling requirements across five key export markets
- Why labeling errors are a leading cause of shipment delays and rejections

2. Mexico: Labeling Requirements
