Canada Outbound Consumer Oriented Trade Mission to Toronto, Ontario ~ September 6 - 7, 2017

Marketers treat Canada as a nation comprised by five different regions. Ontario, Quebec, Atlantic Canada, Prairies and Western Canada. This outbound mission will take place in Toronto, the provincial capital of Ontario; a province home to approximately 14 million Canadians or 44% of Canada's population. Additionally, Ontario is a major transport hub in Canada.

Toronto happens to be the most populous city in Canada and one of the most cosmopolitan cities in the world. There is a great degree of ethnic diversity in the city expanding the spectrum of consumers tastes and consumer habits, thus creating niche markets especially for specialty foods. Toronto's food market is a very attractive option for US suppliers.

Register for this outbound trade mission and experience the Canadian market through one of most renowned cities.
