EVENT DETAILS

The Western U.S. Agricultural Trade Association (WUSATA®), and the 13 Western State Departments of Agriculture, announce participation and registration in the following activity:

Central America Outbound Trade Mission to Guatemala and Dominican Republic ~ February 26 - March 2, 2018

This will be an excellent opportunity for companies to learn more about the large and growing markets of Guatemala and Dominican Republic.

The U.S. - Central America-Dominican Republic United States Free Trade Agreement (CAFTA-DR) has been a catalyst for growing exports for U.S. agriculture. When the five Central American countries (Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua) and the Dominican Republic are taken as a single market, the CAFTA-DR region is a top 10 market for U.S. agricultural products. U.S. agricultural export growth to the CAFTA-DR region in the last five years exceeds the growth rate of top export markets such as Canada, Mexico, and China.

Benefits from participating in the activity:

- Meet one on one with buyers, importers, and distributors
- Showcase your retail and food service items
- Participate in market briefings, facility and retail tours
