EVENT DETAILS

The Western United States Agricultural Trade Association (WUSATA®), Imalinx, and the 13 Western State Departments of Agriculture, announce participation and registration in the following activity, brought to you by the USDA's Foreign Agricultural Service:

Mexico Virtual Export Consultations - June 23 - July 23, 2020

WUSATA's Mexico Virtual Export Consultation provides the opportunity for companies to have individual, customized export consultation with WUSATA's in-market representative, Imalinx. These 30-minute sessions can address a variety of issues including:

- Market background and information
- Labeling requirements
- Market trends
- Strategies for market entrance/development
- Product feedback and market viability

Each consultation will be tailored to your specific questions and products.

When you register, select a 30-minute time slot on a date that works for you.

Benefits of Participation:

- Individual, customized export consultations for companies interested or currently exporting to the the Mexican market.
- One-on-one discussion with WUSATA's representative in Mexico

******Once you are registered, WUSATA's in-market representative (Imalinx) will reach out to you to discuss how the consultations will occur (Zoom/Skype/Conference Call) and to understand what topics you would like to know more about. ******
